# LSN Graduation Scholarships

financed by the Alumni Association of the Lutheran School of Nursing

---

The Scholarship Committee awarded two LSN Graduate Scholarships in 2014. In June it was given to April Hock. In November the award was given to Michael Brandenburg. He is going to Central Methodist University to study for his BSN.

I want to thank Alvyne Rethemeyer ('65) and Anne Edgren ('61) for their service on the Scholarship Committee.

The next Graduation Scholarship will be awarded in June 2015.

I wanted to tell you about something the Alumni LSN members have been doing the last couple of years. We have been giving the graduates a luncheon the week before graduation. It has been working out well; some alumni members donate money and others bring desserts, etc. Our goal was to meet the graduates and tell them about the Alumni Association and our scholarships. This gives us opportunities to get their names and addresses and to tell them about the advantages of joining the alumni; also, we announce that we need a volunteer to be a *Bulletin* Reporter for their class.

At the Board meeting, we voted to put \$100.00 in the budget for the luncheons, if needed, so that we wouldn't have to wait till last minute to get funds and organize lunch. The graduates enjoy the free meal and learning about the Alumni LSN.
