Thank you to all Life Members who have supported this association by paying dues for 25 years or more. Thank you to our dues-paying members for your year-to-year support.

This *Annual Bulletin* has focused on the places our graduates reside, as of early 2015.

For those who have asked whether there are cohorts living in their vicinity, we hope the table above will assist. To obtain contact information about a specific area, send a request to someone on the Membership Committee, asking for a list of data by city or zip code. (Please see page 5 for contact information.)

The Alumni LSN Board is investigating a more interactive website. Through a members-only section, it would be possible for graduates to control their own data and to obtain specific organizational data. For now, we invite all to support this association by being current members. (Please see the last two pages of this *Bulletin* for a membership form.)
